THE NEF MISSION

The Novi Educational Foundation (NEF) enriches the educational experience of all students by supporting opportunities that require financial resources beyond what is possible with public funding.

IMAGINE. Our students thrive in schools where they are passionate, engaged, and prepared for the world and their future.

INVEST. Our community makes a difference by contributing their time, talent, and treasure to support our students and educators.

INSPIRE. Together, we can empower students, parents, and educators to achieve their aspirations.

When our community acts with generosity and a collective spirit, the difference we make can make all the difference!

About the Event

A Reverse Raffle starts off as a traditional raffle where patrons purchase tickets. Where things change up is in the drawing of the winning tickets. Tickets are continually drawn until the last one is drawn for the grand prize which is \$5,000 (if 125 or more tickets are sold). Additional prizes will be given on random drawings. The principle is simple: eliminate people until there is only one winner remaining.

It is a wonderful opportunity for adults to come together in support of the students, staff and teachers of the Novi Community School District. The evening will include the raffle, heavy hors d'oeuvres, silent auction items and a DJ for dancing.
