NOVI EDUCATIONAL FOUNDATION

THE NEF MISSION

The Novi Educational Foundation (NEF) enriches the educational experience of all students by supporting opportunities that require financial resources beyond what is possible with public funding.

IMAGINE. Our students thrive in schools where they are passionate, engaged, and prepared for the world and their future.

INVEST. Our community makes a difference by contributing their time, talent, and treasure to support our students and educators.

INSPIRE. Together, we can empower students, parents, and educators to achieve their aspirations.

When our community acts with generosity and a collective spirit, the difference we make can make all the difference!

About the Event

Go For The Green: A Night To Celebrate is the Novi Educational Foundation's annual spring event where we will celebrate excellence in the Novi Community School District: students and staff, innovation and opportunities. The evening will include dinner, cash bar, music and dancing. Additionally, attendees can bid on auction items, try their luck at the roulette or craps tables (just for fun of course) and there will be a raffle at the end of the night.

It is a wonderful opportunity for adults to come together in support of the students, staff and teachers of the Novi Community School District. The evening will include the raffle, heavy hors d'oeuvres, silent auction items and a DJ for dancing.
